

OUR SERVICES

End-to-End Healthcare Support for International Patients in India

At Doc Delhi, we provide complete end-to-end healthcare coordination to make your medical journey in India smooth, safe, and stress-free.

1. TREATMENT PLANNING

We help patients connect with leading hospitals and specialists across India based on their medical condition, budget, and preferences.

Services Included:

- Doctor & hospital recommendations
- Personalized treatment plans
- Treatment cost estimates
- Appointment scheduling
- Medical report evaluation
- Second medical opinions

2. MEDICAL VISA ASSISTANCE

Our team guides patients through the medical visa process to ensure smooth travel arrangements.

Services Included:

- Medical visa guidance
- Visa application coordination
- Hospital invitation letters
- Attendant visa assistance
- Documentation support

3. TRAVEL ASSISTANCE

We ensure smooth and safe travel for you by providing medical visa guidance, airport pickup, transportation in Delhi, and booking of stay/accommodation.

Services Included:

- Airport pickup & drop
- Translation assistance
- Local transportation support
- Travel coordination for attendants
- Hotel & guest house booking
- 24/7 arrival assistance

4. HOSPITAL COORDINATION

We coordinate directly with hospitals and doctors to simplify your treatment journey in India.

Services Included:

- Consultation scheduling
- Admission & discharge support
- Diagnostic test coordination
- Billing coordination
- Surgery planning
- Follow-up appointment management

5. RECOVERY & POST-TREATMENT SUPPORT

Our support continues even after your treatment is completed.

Services Included:

- Pharmacy assistance
- Follow-up coordination
- Post-surgery consultations
- Return travel assistance
- Recovery planning
- Remote doctor consultations after returning home
